

REMARKS

- The Original 12 Claims, including 3 Independent Claims, rejected by the US PTO, are hereby abandoned. They have now been replaced by Revised Claims 13 to 25.
- Three New Dependent Claims No. 26, 27 and 28 are also submitted.
- According to the enclosed US PTO's Filing Receipt-Confirmation No. 8865, for my US Patent Application No. 10/716,064, dated 11/17/2003, the "Filing Fee Received" was only \$ 385.
- Also enclosed is a copy of my Check No. 2395, for \$ 530, issued on 11/17/2003, duly posted by the US PTO on 11/24/2003. It was debited from my Bank account on 11/23/06.
- Does this mean that I now have a Credit Account of \$ 145, at the US PTO ? If so, it should cover the fees for the additional 3 Dependent Claims No. 33, 34 and 35 herein submitted.
- If NOT, please tell me what additional fees are due to cover the 3 New Claims, No. 26, 27 and 28, now submitted.
